

Since 1909, The St. Anthony has dazzled wedding parties and honeymooners with timeless elegance and romance.

The St. Anthony offers elegant and beautiful settings within our exquisitely restored ballrooms. The magnificent French chandeliers in Peacock Alley greet you upon arrival and take your breath away.

The Anacacho Ballroom, a two-story ballroom, welcomes you with crystal chandeliers, swooping double staircases, and a balcony. With specially designed wood carvings and upholstered damask walls, the Draper embraces true southern tradition. The Peraux features beautiful gold and crystal empire-style chandeliers that offer a warm glow, creating a unique ambiance. Timeless elegance and delectable cuisine create an unforgettable wedding day.

Families have returned to the St. Anthony to celebrate their weddings with us for three generations.
