## Private Dining Rooms

### Peacock Alley: Private

-

Peacock Alley is our most unique private dining space located on our lower level. This intimate space was the former Speakeasy of the Inn and features a beautiful hand painted mural of downtown Princeton and Princeton University!

Peacock Alley can accommodate up to 20 guests at one long table or up to 24 guests at three round tables of eight.

This is a great option for corporate day meetings as well!

*Please note, Peacock Alley is not handicap accessible. There is only a staircase leading down to the private space, but unfortunately, there is no ramp.*

*Peacock Alley Entrance & Wine Cellar!*

## Dining Room One: Private

Dining Room One is a beautiful private space located on our main level. This space has high ceilings with a captivating chandelier and original artwork from the Inn.

Dining Room One can accommodate up to 16 guests at one long table or up to 24 guests at three round tables of eight.

## Dining Room Two: Semi-Private

•

•

Dining Room Two is a semi-private space located between our front and back dining rooms. This is a great option for groups who would like to enjoy the ambiance of the main dining room, but still would prefer a more intimate experience while dining at The Peacock Inn!

Dining Room Two can accommodate up to 12 guests at one long table.

## Dining Room Three: Private

•

Dining Room Three is part of our main dining room but can be made private with our tinted sliding double-pocket doors. It also has original artwork from the Inn with an antique fireplace (not in use) and fiber optic star lights in the ceiling!

Dining Room Three can accommodate up to 60 guests at round tables of eight.

**"The 20s": Semi-Private**

"The 20s" is a semi-private option located in our main dining room. The table is setup off to the side of the room so the group will be tucked away from other tables.

"The 20s" can accommodate up to 12 guests at one long table.
