

THOMPSON  
AUSTIN

# LOVE. HONOR. CHERISH. AND KICK UP THOSE HEELS.

Contemporary Austin weddings start here.

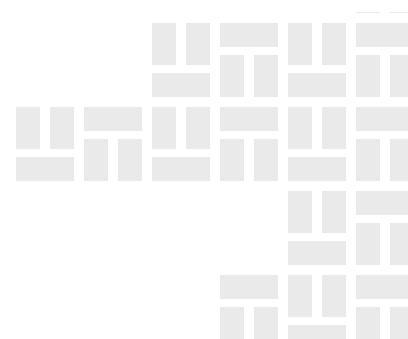

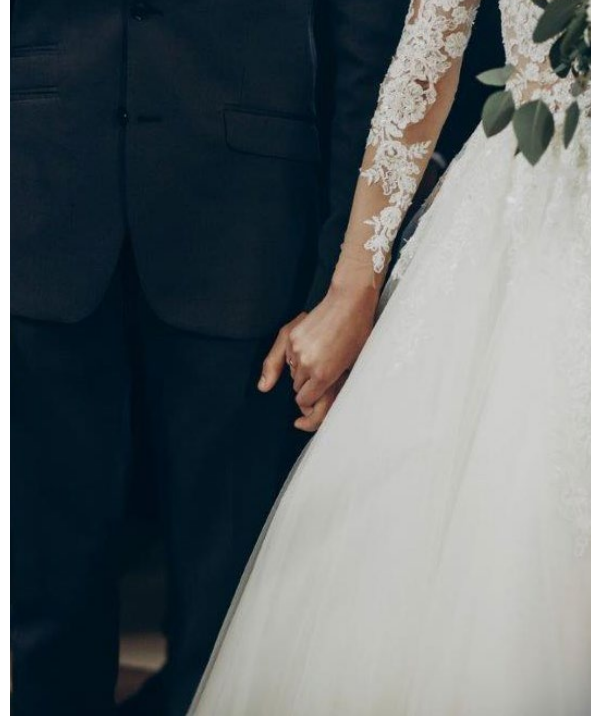

**RESTRAINT IS NOT  
OUR STRONG SUIT.**

For the modern Texas couple seeking a wildly sophisticated setting, we've created an Austin wedding venue like no other, with unrivaled — and unbridled — elegance in mind.

# UNTAMED IN THE HEART OF AUSTIN

**THERE IS SIMPLY NO OTHER VENUE LIKE IT IN THE CAPITAL CITY**

It's impossible not to feel the drama within these spectacular 20-foot floor-to-ceiling walls of windows — an exhilarating vision conceived from the start as a special place for the height of modern ballroom elegance.

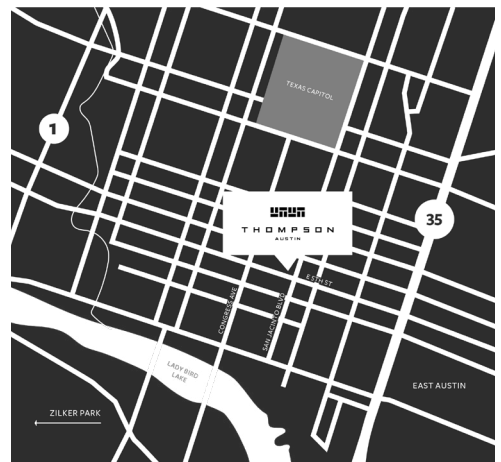

For the capital city's most unforgettable weddings and social events, the vibe is signature Thompson — boldly design-driven but never showy. Complex yet confidently relaxed.

Conjuring an evocative mix of shadow and light, our 6,300 square feet of richly detailed décor is a revelation, expressed in deep jewel tones and highlighted with a gold and silver metallic sheen.

Sixth Street's nightlife may be steps away, but our chef-driven restaurant and lush fourth-floor poolside terrace, cabanas, lounges, billiard and game room offer you an urban playground of your own.

For your welcome party and rehearsal dinner to the ceremony, reception and farewell brunch, our experienced event planners are here to manage and coordinate every detail across 30,000 sq. ft of indoor-outdoor event space.

*It's cultivated, cosmopolitan — and an incomparable setting to cut loose while you're tying that knot.*

Located in the heart of Austin's music and entertainment district, between Fifth and Sixth on San Jacinto, Thompson Austin is a crossroads for locals and visitors alike to meet and let loose.

# EVENT SPACES

With two walls of windows descending from a 20-foot box beam ceiling, our Red River Ballroom offers sweeping views from San Jacinto to the horizon for up to 432 of your lucky guests.

And for more intimate ceremonies, the Bass Ballroom also features spectacular 20-foot floor-to-ceiling windows and is easily divisible by two for up to 70 guests.

## FREQUENTLY ASKED QUESTIONS

### **Who will be my contact in the planning stages?**

Lisa Giroir, Event Sales Manager

### **Who is responsible for set-up and tear-down of my decor?**

So, is this what they meant about relationships being hard work? Not so fast! We'll happily assist with your event's setup and breakdown, but you and your vendors are ultimately responsible for all items not provided by the hotel.

### **Do you allow open flame?**

While we expect the room will be aglow with the warm light of your love, we allow open flame candles only with glass covers.

### **What parking options are available for my guests?**

Valet parking is available for wedding guests at a reduced event rate, and psst... Don't tell anyone, but a self-parking garage is located just across the street.

### **Do you have preferred vendors?**

We maintain relationships with a host of experienced vendors whom we know will never let you down. You may also use vendors of your choice, though they must be approved in writing by the hotel to ensure we preserve our reputation and high standards.

### **Can the hotel provide sound equipment?**

Silly question in the "Live Music Capital of the World" but since we asked... Yes, we partner with the most trusted audio-visual pros inside these Austin city limits.

### **Can I bring my own food or alcohol?**

As your hosts, we cannot allow outside food and beverage — but we firmly believe you must be free to choose what kind of cake gets smushed on your face, so we do make exceptions for wedding cakes.

### **When will we need to provide our final guest count and menu selections?**

If each of your friends tells two of their friends... We get it, guest lists can be hard to control — and is that cousin still a vegetarian? No worries, we'll ask for your final guest count three business days prior to your event.

### **Who will be there to manage my wedding day?**

Your banquet manager takes a solemn vow to be with you every step of the way until your special evening draws to a close. Meanwhile, your Event Sales Manager will oversee food service until all entrees have been served.
