# FREQUENTLY ASKED QUESTIONS

---

## **Can we bring in our own dessert?**

Yes! As long as it is from a licensed bakery, you are not required to go through our catering company for desserts. We ask that you bring your own disposable plates, napkins and forks for your brought in dessert.

## **What if it rains on our wedding day?**

We will make the call for you if your wedding needs to be switched to indoors! We will look at the weather around noon DAY OF your wedding and see. If it needs to be inside due to weather, we begin the room flip then. But don't worry, our indoor ceremonies are STUNNING!

## **Do you require event insurance?**

No! We always recommend checking with your own insurance agency and doing your own personal research regarding this.

## **Can we bring in outside snacks for cocktail hour or late night?**

We ask that you use the catering company for any appetizers. Same with late night snack, but we offer in-house freshly made pizzas for late night snack. They are DELICIOUS!

## **Can we bring in our own food and beverage for the getting ready suites?**

Yes, you can bring your own food and beverage while getting ready, and they can only be consumed in the suite or venue. Not in the restaurant. Your alcohol NEEDS to be removed before your ceremony. It CANNOT be consumed during the reception. Violating this could cause fees and the bar to close early and we do not want that to happen!

## **Can cars be left overnight?**

Yes! We ask that they are removed the next morning.

## **Are there hotels and shuttles close to you?**

Yes! We have quite a few hotels within 1 mile of us. If you head to our website and click "preferred vendors" you will see a list of hotels and also shuttles that have been used here. (there are SO many other shuttle services as well).

## **For the beverage packages, do we have to include everyone in our count even if they do not drink or are pregnant?**

Yes! We require everyone that is 21+ to be included in the beverage package. We took all of that into consideration when pricing the packages, and priced accordingly. Underagers & vendors are not charged for beverage packages. We included pop & coffee when doing a beverage package. Otherwise unlimited pop and coffee is \$250.

## **Floor plan options - when should we start that?**

You will be sent access to our layout drive when you book to see what others have done in the space & you can begin to brainstorm your ideal floor plan! As we move closer to your wedding, we will start to narrow down what option will be best for you, and finalize that at your final details meeting.

## **What time do guests need to be out of the venue? Can we leave our stuff and pick up the next morning?**

12:00pm. We recommend the last shuttle leaving our venue at 11:45. This is a good amount of time after that last dance at 11:30 to get everyone on the bus.

No, this is a public building & all of your belongings must leave with you at the end of the evening!

## **What does the service charge cover?**

The service charge covers the service, products for your wedding day and gratuity of our employees that will be working your wedding. For example, if you are doing a beverage package with us, we will pay a portion of the service charge to our bar staff and service staff.

## **Can our dog be included in our big day?**

Yes! Pups can be in your ceremony, but cannot stay for drinks, dinner or the dance! No dogs at the Walsh house.
