Your Experience

What Couples Love About Us

"We had our wedding here, and our event manager made the whole process so easy. She was always super helpful and proactive in communication - the perfect balance of professionalism and friendliness. There wasn't a single element of the event that wasn't perfect. The price for the venue is also very competitive. Definitely worth looking in to for your event."

- Joseph

"Beautiful venue! Our wedding was everything I dreamed of. So happy we went with Hyatt. Working with the catering team was absolutely amazing, as they answered every question I had and was very quick to respond to my emails. I can't thank them enough for reassuring that our day went the way we envisioned it. Thank you! I recommend the Hyatt!"

- Ruth

"When looking for a venue, I had several criteria that must be met. The Hyatt Regency Valencia fulfilled all of them at a much better price than other hotels. The venue is beautiful for an afternoon ceremony outside in the garden, and great for photos in the evening. There is also a small water feature (a fountain!) and the ballroom can accommodate up to 400. If I could, I would get married here again!"

- Kimberly
