

JX | EVENTVENUE

“ We could not be happier with JX Event Venue! We planned our wedding for 320 people from Seattle and JX made everything so easy and stress-free! The staff went above and beyond to make sure that everything went seamlessly the day of, and we received so many compliments from our guests. The bartenders and photobooth were a big hit as well! The building is so beautiful that we barely needed any decorations.

During the planning process, Emily was very helpful and knowledgeable with details we hadn't decided on yet, and answered questions/updated requests up until the day of our event. They recommended some of our other vendors, and not only were they all wonderful, but they all worked together like magic. We literally did not worry about a single thing. We are so happy that we chose JX for our wedding! ”

JX | EVENTVENUE

Built in 1905, the Connolly Shoe Factory was renovated in 2016 to become JX Event Venue, one of the largest event venues in Minnesota. With the lavish and modern renovation of the building, JX Event Venue boasts 14,000 sq feet of event space and has a capacity of up to 720 guests. The venue is perfect for large weddings, small celebrations and everything in between.

JX Event Venue is located in beautiful downtown Stillwater, Minnesota. The historic building itself is 40,000 sq feet and includes a full service hair and makeup salon, a world-class photography & videography studio, a speakeasy, escape rooms, an axe throwing bar, and more.

Purposely ambiguous, the name "JX" is defined by the first class events that are hosted within the exposed brick walls. Clients have access to an unparalleled multimedia experience, optical illusion photobooth and a state of the art sound and light system. The space is dynamic, bursting with modern luxuries, while still celebrating the historic charm of the building. Every celebration feels intimate as the space is customized to match the exact vision and needs of every event.

The beautiful St. Croix River is just steps away from the venue; and downtown Stillwater is a destination in itself with 26 bars and restaurants, dozens of shops, and four hotels within walking distance of JX. Ample parking is available in the parking ramp adjacent to JX, as well as over 1800 spaces in the downtown Stillwater area. Visit DiscoverStillwater.com to plan an unforgettable experience for your guests!
