Testimonials

"Phenomenal!"

I don't think there are enough words to describe just how wonderful Codie and the team at Shadowridge are. They are there from day one all the way until the moments after the "I Do". Codie is super responsive and was always so helpful answering all 8,000 of my questions. Our guests and families had the best time thanks to the staff. If we could do it all over again, we would, exactly the same way! I cannot say thank you enough to everyone there for making our special day as special as it was.

- Devin

"The easiest decision ever!"

The ceremony space is in a very intimate spot, surrounded by greenery and flowers. During the whole planning process, Codie and Anna were there answering the "silliest" questions. Never did I feel that I was bothering them. Then the pandemic hit! It was so devastating to my husband and I that we had to downsize our wedding from 175 to at most 70 and had to cancel our reception. But just like from the beginning, Codie and Anna helped us navigate throughout the whole process. The communication and guidance they provided was impeccable. They were so accommodating with all the changes and they held our hand up until we had to leave. Every single guest we had was so amazed by this team.

- Noelle

"Amazing, inclusive packages!"

Codie was the absolute BEST event coordinator to work with. She made the planning process so easy and stress-free. She took care of all of our needs. I highly recommend Shadowridge Golf Club as your wedding venue – beautiful, affordable, the best event coordinators, and amazing inclusive packages. My husband and I are so thankful for everything they had to offer.
