ABOUT US...

Mystic Farm and Distillery began in 2013 when two friends concocted a unique liqueur from bourbon, wildflower honey, and a nine-spice tea. In 2015 we purchased a 22-acre farm in Durham County and constructed the first bourbon distillery in the triangle since prohibition. We are proud to craft the Piedmont's superior grain, water, and aging climate into the world's finest spirits. We place the highest value on the esteem of our local customers, and are consistently partnering with local businesses and vendors to bring you the best that North Carolina has to offer. Drop by any time for a tasting, distillery tour, or inquire about hosting a private event today! We can't wait to see you at the Farm!
