Package

Our package, the only one we have, is very simple. It doesn't matter how many guests you have, up to 130, it's the same price. The only time the guest count matters is when you decide about catering which can either be through us ([menu](#)) or an outside caterer (\$2 pp.) Our package is designed for the bride that wants a simple, beautiful wedding but you can add whatever vendors you want to create the wedding of your dreams.
