**The Brownstone Barn** exemplifies rustic elegance as rays of sunlight filter through weathered barn boards. Featuring vaulted ceilings, exposed chestnut beams and classic chandeliers. The barn is a blank slate with endless possibilities for transformation. It is as ideal a space for a rustic wedding as it is for a refined, more formal affair for couples looking for a sense of history and charm.

**Little Chapel in the Woods** is a place of tranquility and beauty for an enchanted wedding ceremony experience.

**Arbor on the Pond** Enjoy the peaceful beauty of the outdoors. Straight out of a storybook. Imagine the bride making her way from the grand stone archway of the homestead, strolling down the manicured walkway for all to admire, her silhouette reflecting on the pond as she approaches the Arbor and awaiting groom.

**The Tuscan Arches** offers a backdrop of moss-covered brownstone and brick, blanketed with ivy and accented with Italian-style lanterns. Overlooking the Arbor on the Pond, a small tranquil stream, and a view of the woods, this intimate location is also ideal for a cocktail hour or reception.
