Frequently Asked Questions...

Q. What does your building rental include?

A. The rental includes use of everything inside the building and on the property including the patio, parking lots, and grounds. (Outdoor ceremonies extra.) This also includes indoor chairs, tables, A/V equipment, dance floor, bridal changing room, and full kitchen.

Q. Can we set up for our wedding the evening before and have a rehearsal?

A. As long as the building is not rented the evening before, clients renting all day events/weddings may set up and hold rehearsals at no additional cost (no more than 2.5 hour access). If the building is rented the day before, rehearsals can be set for a different day at no cost. If clients do not request a Day Before Rental, there is no guarantee that the day before will be available.

Q. Are day before rentals available?

A. The day before can be rented for the discounted price of \$600. This guarantees you will have the convenience of accessing the building and grounds the entire day before for set up, rehearsal and rehearsal dinners (for those who so choose). Day before rentals may be made for any events, other than those occurring on Sunday. This rental does not include an extra cleaning or trash removal, so clients are responsible for any messes they make as they set up.

Q. Is your building heated and air conditioned?

A. It is! You do not need to worry about your guests being uncomfortable during your wedding as it is fully climate controlled.

Q. Do you offer catering?

A. We do not cater ourselves, but we work with several caterers that we can recommend. We can recommend caterers for most types of food and budgets.

Q. Can we provide our own food or choose an outside caterer?

A. Yes! You absolutely may provide your own food or choose an outside caterer. We just require that you follow food safe guidelines when providing your own food.

Q. Are table linens included?

A. Linens are not included in your rental, but we can provide them for you at a very reasonable price. We work with a linen company that rents white table linens for very reasonable. (Our round tables are \$2.50-\$3.50 and the rectangle tables are \$3.50 each, skirting is \$8 per table)

Q. What hours can we have the building?

A. Our typical hours are between 9am-11pm, however, you will receive a code to the building so you may enter as early as you like on the day of your wedding. We ask that events end by 11:00pm to respect our closest neighbors. You have 1 additional hour to remove your things.

Q. Can we have our ceremony at your venue?

A. Yes, of course! We have a beautiful wooded property that overlooks the rest of our farm that is perfect for outdoor ceremonies (weather permitting), May-early November. You may also have your ceremony indoors if the weather is not good, or during colder months. We do not currently have a separate indoor space for ceremonies so they are held in the same area as the reception.

Q. Is there a separate fee to have an outdoor wedding?

A. We charge a flat rate of \$600 to have an outdoor wedding. This includes the wedding ceremony site, mowing/grooming of the area, arbor and outdoor chair rental, set up and tear down.

Q. Is there an additional charge for indoor weddings? If the weather does not cooperate, do we still have to pay for the outdoor ceremony?

A. There is no charge for indoor weddings. As long as you decide not to have your wedding outdoors prior to delivery and set up of the chairs (typically the day before your wedding), you can be refunded in the event that the weather does not cooperate. After chairs are set up, we cannot refund the money.

Q. Do you provide a person to perform the ceremony?

A. We do not provide this, but can give recommendations.

Q. Is there electricity at the ceremony site for a sound system? Do you have an outdoor sound system?

A. We have electricity close to the site for a sound system. We do not have our own outdoor sound system, but work with Team D.J. whom we can set up for you, if you like. You can also choose your own D.J.

Q. Can we have alcohol at your event?

A. Yes. You may have alcohol, but alcohol may not be sold as our venue is in a "Dry" Township. We can not sell it to you and you may not sell it to your guests. You are allowed to provide your own.

Q. Are we required to have a bar tender?

A. We do not require a bar tender, however, we highly recommend it to help reduce lines, keep the bar stocked and to make your event go more smoothly. You may provide your own bar tender or we can hire one for you.

Q. Do you have recommendations for wedding vendors? Are we allowed to use our own?

A. We have done the legwork to find great vendors that offer outstanding services (cake, photography, music, etc) for reasonable prices. We only recommend vendors that we can personally vouch for. Our goal is to help our clients save time and money if we can. Our list of vendors are just suggestions. You may use any vendors that you choose. You can find our current list on our website at homesteadofradnor.com

Q. What are the prices of the D.J. you work with?

A. We work with Team D.J. (we also work with 2 live bands/d.j.'s and a string quintet). They start at \$595 for 5 hours of music and d.j. time. If you need a small sound system for an outdoor ceremony, the additional cost is \$150.00 + the extra hours (\$90 per hour) they will work. They also can do "fancy" things like up-lighting, photo booths, etc. If you choose to hire Team D.J., we will set this up for you to let you receive our cheaper venue rate, which is cheaper than their normal rates.

Q. Do you have a dance floor? Does it fit if we have close to the maximum of 300 guests?

A. We have a portable dance floor that can be set up where you want it. There is a fee to move it from its normal location as it takes a couple hours to move it. It does fit with large groups that have ~300 guests. If you have a large group, we typically move the buffet tables to our side room to make extra room for guests and the dance floor.

Q. Why don't you rent your venue between the 3rd week of September through the end of October?

A. We also own a pumpkin farm with weekly fall festival activities on the property next to The Homestead. As our pumpkin farm has grown, it has become harder to keep the noise and activity from interfering with our weddings at The Homestead. A "circus" is not the backdrop most brides/grooms envision for their wedding! Plus, as we've grown, we've needed more space for parking, group events and birthday parties.

Q. Do you have a bridal suite?

A. We have a room that is large for the bride and bridesmaids to get ready in. The room has a full length mirror and private access to a small restroom. I'm sorry, we do not have a special room for the groom and groomsmen, but our restrooms are large and they may use the rest of the building.

Q. Do you offer packages?

A. We do not have specific packages at this time because every wedding should be unique to the couple getting married! We prefer to allow couples the opportunity to customize their wedding with only the services they want/need. Our prices reflect the best possible rates for each service, which is not effected by the customized "package" you choose. We don't believe in talking you into services that you don't need and there are no hidden costs or surprises at the end!

Q. Do you offer Military Discounts?

A. We offer a \$100 discount for active and retired men and women in the military. Thank you for your service!

Q. What do we need to do to reserve a date?

A. We will complete a contract and collect a non-refundable deposit. The deposit is half of the rental price. The other half, as well as payment for additional services, are due the month before your wedding/event.
