FAQ

What is the max capacity?

The main ballroom can hold up to 450 guests for a reception, and the upstairs Veranda room can hold up to 130 guests.

How much time is included in the room rental fee?

6 hours of reception time. Vendors have 2 hours for set up time before the event and 1 hour for tear down after the event. All additional scheduling requests can be arranged with your event consultant.

Can I add time to my event for early set up?

Yes, you can for an additional \$250/hour and a facilities manager charge.

What is the ceremony fee?

\$600 for an additional 2.5 hours, which includes the use of the bride's and groom's suites.

What is the security deposit to secure my date?

A signed contract and non-refundable \$1,000 deposit secures your date on our event calendar.

What is the payment schedule?

A \$1,000 deposit and 50% of estimated balance is due 6 months out. 75% of estimated balance is due 3 months out. The final balance is due 10 days out, when your final numbers are in.

When do I plan my details?

Your event consultant will schedule a details meeting 6 months and 3 months prior to your wedding. A final meeting will be scheduled for 30 days before your wedding. During this final meeting, you will discuss all of the details for your big day, including your schedule of events, decorations, linen, menu selections, cocktail hour, and room layout.

Can I change my order after I sign the contract?

Of course! Once you have signed the contract, your proposal becomes a working Banquet Event Order (BEO). We can add and delete items as we work with you throughout the planning process. Your final guest count, menu selection, and any rentals you might wish to add will be due 10 days before your event. At the 10-day mark, you are required to give a guarantee, meaning you cannot go down in numbers or rentals. If you need to add after 10 days, we will do our best to accommodate you, however, "rush" order fees may apply.

Can I bring in my own food?

We are a full service venue, providing in-house catering and holding a full liquor permit. You may only use an outside caterer if it is for an authentic dish that our chef cannot provide. We do allow outside catering vendors to provide wedding cake and desserts for your wedding reception.

The caterer *must* provide Bridgewater with a current food license and insurance certificate.

Can we bring in our own alcohol?

Bridgewater is a permit holding premise. Due to liability and service standards, we do not allow a client or guest to provide their own alcohol.

Do you offer tastings?

We offer complimentary tastings to couples who have already signed with us. For tastings done before a contract is signed we charge a \$35 fee. Once your contract is signed the tasting fee will be applied to your balance.

Do you allow decorations?

Yes, we welcome decorations such as flowers, centerpieces, or décor from a licensed decorator. We do not allow anything to be applied to the walls or floors of the building. Candles/open flame must be in a glass vase. We do not permit sparklers, fog machines, loose glitter, or confetti on property. Clean up and damage fees may apply.
