

HALL AT FAUNTLEROY

Create an unforgettable experience for you and your guests at the Hall at Fauntleroy, an elegant event space housed in the picturesque 1900s-era former Fauntleroy Schoolhouse. Nestled a world away in a quiet tree-lined neighborhood, yet close to downtown Seattle, the Hall at Fauntleroy offers two unique indoor spaces, a lovely outdoor garden and patio, and more.

EMERALD ROOM: CLASSICALLY CLASSY

Soaring ceilings, exposed brick walls, soft lighting and big picture windows, the Emerald Room has it all. The space also includes a large, raised dance floor and bridal suite. With room for up to 250 guests, the space feels intimate and expansive all at once.

VASHON ROOM: A BREATH OF FRESH AIR

The Vashon Room is one of Seattle's few indoor/outdoor event spaces, featuring contemporary details, high ceilings, and abundant natural light. Step outside into the Garden Courtyard, a lush landscaped setting perfect for an outdoor ceremony or lawn games. Guests also enjoy access to the Studio, a cool and inviting hideaway where guests can play billiards and sip a cocktail. Accommodates up to 170 guests indoors and 250 for an outdoor ceremony.
