WHAT OUR COUPLES ARE SAYING ABOUT US

★★★★★ Reviewed On 6/20/2021 by Bri T

I fell in love with the springs when i attended a wedding there a while back, when it was time to look for our venue i knew this is where i wanted to go. From the very beginning, i was obsessed. It's such a naturally beautiful place that a lot of decor is not needed, but something that stood out to me from the beginning was the superior customer service. Any time i had a question and sent an email the response time was amazing, they were always so so kind and so helpful. I truly could not imagine getting married anywhere else. I highly highly recommend this venue.

My husband and I looked at a ton of venues around DFW and this one topped them all. We pulled up and the first thing he said was "it feels like home". We loved that we would have a big dance floor, plenty of space for guests, the breathtaking outdoor ceremony space, and WOW have you seen the front?! As far as the staff, they are very responsive and would text back and answer all my questions really quickly. I highly recommend! It was absolutely beautiful.
