At The Taylor Mansion, our goal is to make your big day, a day to remember!

The Taylor Mansion is the most popular wedding venue in central Texas for a reason! Weddings can sometimes be expensive, stressful, and not a lot of fun. When you have your wedding here, we make it easy and relaxing for you. First, on your wedding day, you have the place from AM to PM, you can have your reception and ceremony anytime you like, we will have everything ready for you. Second, we don't force you to use our vendors or staff, you can choose who best suits your needs. Third, we provide everything you need, no upcharges for plates and glasses or clean-up, colored linens, or vases plus we do all the set-up and tear down.

Lastly, we offer a list of amazing vendors we use and trust. So, if you need a recommendation, we're here to help you. Our in-house coordinator can arrange everything for you if you choose.

No high-pressure sales, and you deal directly with Lindsey and Robert, the owners. We live here on site and will make sure you have a magical Wedding Day!
