PLANNING COORDINATION + DESIGN

We understand how overwhelming it can be to pick your venue, let alone plan an entire wedding. Have no fear, we are here to take all stress and uncertainty away. From the very beginning, you are surrounded by a dream team of planners who eagerly await the chance to create not only an epic wedding, but an amazing adventure along the way. What really sets this service apart from any other is that WE. GET. IT. People have different schedules, occupations and life demands so your team is available to you 24-hours a day to answer questions, dream with you, or just ease your mind. This service is included with all packages.

PHOTO + VIDEO

Our photo/video team is available to capture some of the most special moments of your life. Instead of having one particular style of shooting or editing, we've decided that although our photographers and videographers are artists, the artwork is for you to decide. From all day coverage to custom shot lists, we focus on what you want as a couple and strive to achieve it. Outside Photo & Video is always welcomed.

SWEETS

Cake is good... but so are cupcakes, donuts, cookies and pies! We always try to suggest the perfect combination of unique treats that can go together and be displayed beautifully with any theme or decor. Your sweets of choice are included with all packages. Outside bakeries are also welcomed.

RENTALS

We carry a wide variety of tables, chairs, linen and decor to match. Whether rustic, vintage, romantic, or boho, we have exactly what you need to pull off the look you've always dreamt of. Outside rentals are also welcomed.

SERVICE + TAX

There are no service or tax fees (except for A La Carte Package).
