Weddings
& EVENTS

A group of women in traditional Indian attire, including sarees and lehengas, are gathered at a social event. The central focus is a young woman with a bindi, wearing a red and orange sari, who is smiling broadly and looking towards the right. She has intricate henna designs on her hands. To her right, another woman is seen from the back, wearing a blue and gold lehenga. In the background, other women are visible, some in floral sarees, and the setting appears to be an outdoor or semi-outdoor event space with large windows.

provided great service.

We had so many
compliments on how
great the food was, the

What's the difference between my Hilton Denver Inverness Event Manager and a third-party Wedding Planner?

Your Hilton Denver Inverness Event Manager will be an important part of many aspects of your wedding to ensure a beautiful and successful event but will not be available to assist with some vital wedding details. We highly recommend hiring a professional Wedding Planner for assistances with all the details your Event Manager does not assist with. Couples are welcome to hire a full-service Wedding Planner or a "Day of" Coordinator to assist with the ceremony and reception.

Your Event Manager will:

- Create a curated banquet event order specific to your event. This includes setup details and all food and beverage choices, and a timeline regarding hotel staff.
- Provide a list of preferred vendors for your reference.
- Be on site the day of your event to oversee the agreed upon setup and ensure correct timing with elements pertaining to the hotel.
- Create a smooth transition to connect you with the Banquet Captain that will be servicing your event.
- Connect you with staff members who can assist in areas such as golf, spa, and transportation.
- Provide helpful insight and answer questions as the hotel's point of contact during your planning process.
- Facilitate the food tasting and note your food and beverage selections for the event.
- Track deposit schedule as outlined in your contract as well as review the final bill to ensure accuracy of charges.

Your third-party Wedding Planner will:

- Provide guidance on elements that do not pertain to the hotel, such as invitations, wedding party details, ceremony, toasts, family matters and more.
- Provide an in-depth wedding day timeline encompassing all wedding vendors and wedding party activities (your Event Manager will focus solely on hotel-related activities).
- Coordinate all elements during the rehearsal.
- Assist with vendor management to include reading through contract and coordinating details of all other vendors.
- Act as a liaison between you, the wedding party, your wedding guests, your vendors, and the hotel.
- Coordinate specific elements during the wedding including but not limited to ceremony processional, ceremony recessional, cueing ceremony music, execution of grand entrance and exit, toasts, special dances, cake cutting, arrangement of where gifts and décor will go after the event, and more.
- Assist with or provide service of placing personal décor elements such as escort cards, guestbooks, signage, marked seats during the ceremony, etc.

Does my group get special room rates?

Special room rates are offered when available through contracted room blocks. Please see your Sales Manager for more information.

Do my guests have to pay for parking?

Self-parking is complimentary and valet parking is also offered for a fee.

Do you offer transportation services?

We offer complimentary shuttle service for guests of the hotel within a four-mile radius of the property, based on availability.

Do you allow cakes from a bakery outside of your hotel?

We do allow outside cakes, although we do also offer cakes in-house. If you choose to use an outside bakery for your cake, there is a cake cutting fee applied. This fee is waived if you have your cake made at the Hilton Denver Inverness.

Do you allow outside caterers?

The Hilton Denver Inverness provides all food and beverage for your event, with the exception of specialty dessert vendors. These vendors must be a licensed business with their own liability insurance policy and must be approved through your Event Manager. For some events, we do allow outside caterers, however there are specific guidelines and policies that must be followed for this. Please speak to your Sales Manager for more information on this policy.

Do you provide a weather back-up for my outdoor ceremony?

We will provide a weather back-up option for outdoor ceremonies, although the specific space will not be guaranteed until 14 days before the event. In some cases, the weather back-up will be the reception space, and guests will be able to view the ceremony from their reception seats.
