Custom Tables

One of the aspects of Willow Acres which we are the most excited about, is our custom rustic tables made by owners, Doug and Pam Frank with the saw mill they own. Lumber from the property has been harvested after these trees died, to use the hardwood for these beautiful, one of a kind tables.

Where most venues will charge between \$65-\$150 per table, we believe this is something in which we want to offer every couple to add to the beauty of our outside venue for not only your reception, but for your gift table, caterers, etc. This is an added value, which you are not charged extra for, between \$1,500-\$2,500.

This is just one more way that we at Willow Acres want to say, "Thank You" for booking your wedding with us for our inaugural year.

WE LOOK FORWARD TO SERVING YOU WITH THE HIGHEST QUALITY PERSONAL SERVICE AND CARE.
