

Stroudsmoor W E D D I N G S

Our Philosophy . . .

To guarantee the execution of an unforgettable affair from start to finish.

To provide a staff unequalled in their ability to create a stress-free environment for our clients; their obsession for detail; their courteous, proficient, and friendly manner, and to continue the Stroudsmoor traditions of impeccable quality and gracious hospitality in an atmosphere of old-world charm and elegance.

Stroudsmoor Country Inn . . . When excellence is required

Stroudsmoor's Distinguishing Features:

& Enhanced Wedding Services

For over 4 decades, our primary business and passion has been creating perfect wedding celebrations, dedicating 100% of our staff to the execution of memorable, timeless events.

Stroudsmoor features six dedicated private event venues, each with its own execution staff including maître d', wait staff, and chefs; a separate area for cocktails; designated parking area; and unique ceremony site. We afford every wedding client unequaled privacy as our event locations do not share lounge or dining space with the public areas, and neither do we "double-book" our venues.

Stroudsmoor offers "freedom of choice" in the wedding-planning process with a variety of menu and beverage options. This range of selections ensures our clients receive a customized package suited to their individual tastes.

Further, our packages do not have hidden fees, and include all the elements and services essential to the skillful execution of the wedding event. There are no venue fees, cake cutting fees, corkage fees, etc. Diverse catering options—including a Bakery Station, Charcuterie Boards (both sweet and savory), Soft Pretzel, and Mac & Cheese Station (among others)—are available for client consideration at an additional charge.

We offer all essential wedding services "under one roof" to maximize convenience and minimize the demand on your time. This ensures our couples enjoy stress-free wedding planning. Stroudsmoor Wedding Packages include the services of a personal Event Planner, Lodging Reservationist, Bridal Spa and Studio Coordinator, Floral and Décor Designers, Photography and Entertainment Groups, and an Event Supervisor.

Onsite services and professionals dedicated to enhancing your experience at the Inn include Stroudsmoor's Spa and Bridal Studio, Photography and Entertainment Groups, Floral Designers and Décor Team, skilled Chefs, courteous Front Desk Staff, committed Housekeeping Staff, Landscape Architect and Grounds Crew, certified Event Personnel, and trained Execution/Wait Staff.

Stroudsmoor's intrinsic characteristics of historic architecture, breathtaking views, classic cuisine, charming accommodations, and traditions of customer satisfaction, old-world hospitality, quality, courteous and personal service make the Inn distinctly unique within the region.

We commit to working within a budget to create an unforgettable wedding celebration to perfectly match your vision. Stroudsmoor offers value date discounts and seasonal pricing to work with almost any wedding budget. An initial deposit is required at the signing of your Reception Contract. This deposit will be deducted from the final event invoice in its entirety. There are no booking fees.

Stroudsmoor primarily uses "word-of-mouth," recommendations, reviews, and referrals to attract its clientele. Our overall goal is the creation of unforgettable wedding celebrations which will be talked about and remembered fondly by family and friends for years to come.

The following pages of this booklet feature our most-selected packages. Each can be customized to suit your style and vision. Seasonal pricing is available on request — contact info@stroudsmoor.com.

Stroudsmoor Country Inn is the proud Recipient of The Knot: Best of Weddings and the Wedding Wire Couples' Choice Awards for over a decade, thanks to 1,000+ five-star reviews from our couples.

Wedding Ceremony

The ensemble is selected, the invitations printed, and the ceremony is planned at Stroudsmoor Country Inn. Whether you choose one of our intimate Gardens or Mountain Top Chapels, your ceremony will be a lasting memory for all who attend.

Auradell . . . \$1200.00 ceremony fee

The Auradell ceremony is celebrated in a lovely wooded grotto across from the venue. The venue's Hearthside Suite allows an indoor Plan B option. Auradell hosts wedding celebrations of 30 to 60 guests.

SCI Pavilion . . . \$1800.00 ceremony fee

The SCI Pavilion is an open-air environment for hosting every element of the wedding celebration. An enchanting ceremony site sits in the woods alongside the venue. The SCI Pavilion accommodates 50 to 100 guests.

Lawnhaven . . . \$2400.00 ceremony fee

Lawnhaven's exquisitely appointed garden provides the perfect altar site for your ceremony. The venue creates an open-air atmosphere without the worries of inclement weather. Lawnhaven accommodates 75 to 150 guests.

Woodgate . . . \$2400.00 ceremony fee

The most historic of Stroudsmoor's 24 buildings, Woodgate features two enchanting ceremony sites. The first is the Woodland Chapel—deep in the woods, easily accessible. An open-air pavilion adjacent to the building is the second option for the ceremony at Woodgate—perfect for "Plan A or B." Both accommodate 75 to 150 guests.

Ridgecrest . . . \$2800.00 ceremony fee

Crestview Chapel sits atop the ridge of our mountain overlooking Cherry Valley Wildlife Sanctuary. A pavilion with stone fireplace offers options for cocktailing outdoors or undercover ceremony. Ridgecrest graciously accommodates 175 to 250 guests.

Terraview . . . \$2800.00 ceremony fee

Terraview offers multiple Ceremony Sites – one featuring a towering stone wall flanked by waterfalls. Formal gardens surround the falls and its gazebo. Another site is located on the garden terrace, overlooking the mountains and Cherry Valley Wildlife Sanctuary. Finally, the Conservatory at Terraview provides for an indoor ceremony for winter celebrations or inclement weather. Terraview hosts grand celebrations of 175 to 350.

Stroudsmoor Ceremony Site Fees include the assistance of a Dedicated Wedding Planner. Your planner helps organize and orchestrate the most important parts of the wedding. They also aid in arranging for all rental equipment, overseeing the rehearsal, and assisting during the ceremony. This fee also allows for an additional hour for the length of your overall event. It includes the preparation of the site, an indoor alternative in case of inclement weather, appropriate guest seating (note Woodgate comes equipped with wooden benches for guest seating), altar accoutrements, and the use of the venue holding lounge 1-hour prior to the ceremony.

Suggestions and arrangements can be made for tenting and other rental equipment, officiate, and a variety of musicians. Rental equipment and professional services require additional fees based on those selected. Prices quoted do not include tax or gratuity. Each Stroudsmoor facility has its own ceremony site as listed above. In some instances, arrangements can be made to hold the ceremony in one facility and the reception in another. However, substantial additional fees will apply for events requiring use of multiple facilities. Ceremony Site Fees are subject to tax and gratuity.

Ask our Event Planners for more details regarding our enchanting sites.

Rehearsal Celebrations start at . . . \$42.95 per person
