Event Venues

Our new Nature Exploration Center opened in 2012 at the Zoo's entryway. This state-of-the-art facility overlooks the animal collection and offers over 4,000 square feet of indoor event space. It's ideal for a wedding ceremony or reception, and has an adjacent outdoor plaza with sunset views.

Inside the main Zoo, our historic limestone pavilion and open-air Chautauqua Amphitheater are popular choices for couples. The pavilion is perfect for a more casual celebration and the amphitheater offers picturesque views ideal for a wedding ceremony.

Rehearsal Dinners

We've got spaces for rehearsal dinners and showers too! Check out [event rentals page](#) for more information.
