Unique Venue Options

LOVE IS EVERGREEN - Capacity: 175

The Inn at Hudson Gardens & The Inn's Backyard

The "Love is Evergreen" setting includes a historic log cabin known as The Inn at Hudson Gardens where stone fireplaces create a charming ambience all year long. The Inn's Backyard features mature evergreen trees that create a striking backdrop.

LOVE BLOSSOMS - Capacity: 175

The Rose Garden & The Bloom Room at Hudson Gardens

The "Love Blossoms" setting includes The Bloom Room at Hudson Gardens where you and your new spouse can host a reception under the Colorado sunshine or the stars. This will be the crown jewel of our wedding venues, with wrap-around windows, and walls that roll up for an open-air or an enclosed experience. Exchange vows beneath the pergola of the Rose Garden—a classic ceremony site set in front of a dramatic fountain.

LOVE IS A BRIDGE - Capacity: 175

Monet's Place & The Pavilion at Hudson Gardens

The "Love is a Bridge" setting includes an elegant reception venue known as The Pavilion at Hudson Gardens, which has adjustable sides for an open-air or an enclosed experience. This venue overlooks the sublime beauty of Hudson Garden's lake. Enjoy a one-of-a-kind ceremony site called Monet's Place, in reference to the painting, Claude Monet's "Bridge Over a Pond of Water Lilies," that inspired its design. At Monet's Place, a cobblestone platform overlooks a timeless scene with water lilies and a bridge.

All locations include ceremony site, reception venue, two dressing areas, catering preparation area, tables, chairs, free parking.
