Who knew you could have a vineyard destination wedding so close to home?

Haak Vineyards and Winery, established in 2001, is family owned and operated. Our outdoor chapel and reception pavilion are nestled among three acres of grape vines on our 12-acre estate. The chapel was constructed and dedicated in 2009 to honor the 50th wedding anniversary of Gladys and Raymond Haak, the owners.

We specialize in outdoor vineyard weddings with an indoor/outdoor reception area. All couples have the opportunity to create their own unique vision as our venue is the perfect canvas for the “Do It Yourself Bride and Groom”. All you need to choose is the DJ, Photographer, and Officiant. We even have a list of preferred vendors to help with that too.

Our premiere wedding rental package is custom designed as a result of our culinary and event staff's many years of experience in perfecting weddings. As a result, Haak Vineyards and Winery was selected as a winner of the prestigious Wedding Wire Bride's Choice Awards® 2013 to 2021. This esteemed annual award recognizes wedding professionals in the Wedding Wire Network who demonstrate excellence in quality, service, responsiveness and professionalism. We received the Editor's Choice Award two years in a row. We continue to receive outstanding ratings, awards and recognition for our excellent attention to detail. Since 2017, we've received the All-Star at the Bridal Extravaganza for Best Venue Destination. We have been voted Wedding Wires' Couples' Choice Award several years running. Again, another significant award totally based on votes from brides. We have also received The Who's Who award from The Bridal Extravaganza in 2013 and each year since then. **These awards put us along side of the best of the best of wedding venues in the Houston Area!**

Once you visit with our event team and chefs, we are sure you will realize that this is the venue you have been dreaming of. Our wedding coordinator will help make the planning process simple and enjoyable for our customers and our prices are extremely competitive!
