Testimonials

"5/5 Stars, The perfect venue for a quintessential Vermont wedding. We couldn't have asked for a better venue for our special day. It was absolutely beautiful, customizable, and Lin made everything so easy. We got to enjoy our entire day with ease as the staff took care of EVERYTHING. The food was incredible and our guests are still raving about that along with the extensive beer list of the best Vermont beers. The value of weddings at this venue is far beyond anything else we looked at.

The Air BnB allowed us to be onsite with our closest friends/family and was perfect for getting ready. We were even able to do a private yoga class in the morning in the yoga studio. Overall, extremely recommended as this is the perfect venue for that quintessential Vermont wedding.

"Winter Wedding Dream" We couldn't have been happier with our winter wonderland wedding at ZenBarn! The staff was so responsive and accommodating to all our needs and wishes. The upstairs was transformed into a wonderful ceremony location and the intimate downstairs area for the reception was so cozy and perfect!
