NO DETAIL IS TOO SMALL ON YOUR SPECIAL DAY

We are excited for your wedding and want you to experience a dream stay at our breathtaking Grand Hyatt Kaua'i Resort & Spa.

To start, we suggest a Welcome Reception with your guests in one of our awe-inspiring gardens or indoor venues. Then experience the Grand Hyatt Kaua'i Luau, Dondero's restaurant or our signature restaurant, Tidepools, for your rehearsal dinner. While at the resort, enjoy an active day of golf and astonishing views at Poipu Bay Golf Course.

Your wedding day will be filled with excitement and anticipation. Allow our beauty and relaxation experts at Anara Spa to pamper you with a massage, facial, or hair and makeup session. For those who still have the energy, an after-hours toast in Stevenson's Library would provide for a memorable finale.

Spend the remaining days of your celebration experiencing the grandeur of Kaua'i through kayaking, hiking, scuba diving, surfing, and many more enjoyable island activities. As a send-off, plan on a catered post-wedding brunch to say "Mahalo" to all of your guests.

To ensure the wedding planning process is stress-free and enjoyable, your Wedding Manager will take care of all the intricate details to guarantee your day turns out as you imagine. She will walk through the planning process, every step of the way, creating a personalized agenda for your special day. Expect prompt response times for your questions so you can relax while your Wedding Manager orchestrates the wedding of your dreams.
