The Perfect Venue for a Romantic Vermont Wedding

The Pitcher Inn is a special place for a romantic Vermont wedding. Imagine a lantern-lit affair for 120 in the garden, or a walk arm-in-arm from a chapel across a covered bridge for a lavish feast at The Pitcher Inn. Perhaps a winter wedding in the Brook Room, lush with antiques, original art and kissed with Vermont warmth and charm.

One of Vermont's best restaurants, [275 Main](#), is here at the Inn. It is yours alone for an exceptional wedding banquet. The wedding venue can be formal or informal accommodating from 50 to 85 wedding guests. Our team can transform the formal dining room into a comfy living space, with creative food and drink stations, festive lighting and flowers, and personal touches designed to encourage mingling. [Tracks](#), our in-house tavern, holds 20-50 party guests. It is the perfect place for the groomsmen to practice a toast. The wedding party and guests will find our luxury suites and guest rooms to be unique, comfy and very well-appointed.
