

Your Happily Ever After

“

Every bride feels like their wedding was special, and of course they should. I, however, can honestly say that my wedding was the most magical, overwhelming, and special day of my life. – **Carly & Hank**

“

We want to say thank you to Dominique for everything that she did for us on our wedding day and everything leading up to it as well. She definitely went above and beyond what we ever expected and we really appreciate it. Our day was beyond perfect and it was definitely thanks to her! She worked with me on all the changes and made sure that our day went just how I pictured. She is seriously THE BEST! I'm so thankful that we decided to have our wedding at Canyon Gate, her and her whole staff are AMAZING! Our wedding was beautifully put together and we loved it so much! The guests loved the staff, the food, the setup and we received so many compliments. Seriously from the bottom of my heart, I couldn't have asked for a better planner! – **Melissa & Trevor**
