OUR PROCESS

01

Book a Venue Tour

First step is to book a venue tour! We want you to come see Prairie Song with your own eyes and really take in the view and make sure we are a good fit for your big day!

02

Book With Us!

After you have toured with us and have decided we are the right fit the next step is placing the deposit and signing our contract! That secures your date and gets you officially on our calendar!

Every deposit is going to look different since we charge by the hour, so I will break it down to better help you have an idea of what that will look like:

| If you are just doing the hourly rate it will be half of that amount.

example: Package One is \$2,500 so a deposit would be \$1,250

After the deposit is made, monthly payments will be made after that and the final payment will be made 30 days before wedding date!

*Taxes & service charge will be added

03

After Booking

After deposit is made and monthly payments are set up the wedding planning can continue.

You will have 1 free bridal appointment, that last an hour, to use between booking and your wedding day. You can use this to come out with any vendors that need to see the place or if you would like to talk about how to set things up!

You also get one free hour of an engagement/bridal session

*This is not able to be transferred to your wedding day as an extra hour.

04

Adding Items

During the planning process we can add to your invoice as Prairie Song has a growing number of rental items as well as services to help your day go as smooth as possible!
