About Us

Nestled amongst the world's largest stand of Ponderosa pines, Creekside Cabins and Tavern is located in the little village of Christopher Creek tucked below the majestic Mogollon Rim just 22 miles east of Payson, Arizona and 10 miles West of Woods Canyon Lake.

An area made famous by author Zane Grey who wrote about the mystical wild Tonto Country, Christopher Creek is brimming with natural beauty and is truly a destination for people who want to hear the wind in the forest, the rushing water of our pristine creek tumbling over small falls or the bugle of a Rocky Mountain Elk. Wildlife of all kinds live and wander around this rugged area and it isn't an uncommon occurrence to see elk, deer, wild turkey, and squirrels roaming the lush countryside.

A place to feel the joy of
leaving no tracks, a place to
hike, fish and meditate:
Creekside makes for an
idyllic getaway for those
seeking to get closer to nature.
