About Us:

The Gallery at Heritage is part of one of Georgia's best hidden gems. Tucked away in the picturesque Historic District of Uptown Columbus, on nearly an acre of greenspace, is one of the area's most beautiful venues. Inside of this completely restored warehouse, are two show stopping art galleries. The first, The Gallery at Heritage a 3000 + sq ft gallery, which boast dramatic 20 ft. wooden barrel ceilings, exposed brick walls, charcoal accent walls with bright white historic moldings and everyone's favorite conversation piece, a beautiful, white, wrought iron, spiral staircase, which begs to be covered in candles or greenery. The second, The Art Room at Heritage, is a bonus gallery, perfect for smaller gatherings or an onsite bridal room. This cozy exposed brick room also has white accent walls with crown molding, exposed wooden beams, and an extremely spacious powder room. It also showcases work from local artists, giving this space a truly unique touch.

These galleries are part of a fantastic complex, created for artists and creatives in the community, Heritage Art Center, an award winning Artist's Cooperative. Heritage Art Center host quarterly shows, leaving their beautiful galleries open for you to curate your special date.
