“Wow, my husband and I could not have picked a better venue for our wedding!! If you are considering Worthington Hills Country Club, you should definitely pick this place...trust me, you will not be disappointed! They made sure everything ran smoothly and checked on us frequently to make sure we had everything we needed.

The food was absolutely delicious and our guests made many comments on that! Our guests also complimented how nice and classy the venue was. The whole day was absolutely perfect and we could not be happier with how everything turned out. It was everything we dreamed our wedding would be!”

“We had our ceremony and reception at WHCC and it was amazing! Christy, Jocelyn, and Kyle were the absolute best to work with throughout the entire process and truly made the day as stress-free as possible. The food was great, the staff was fantastic and professional, and location is gorgeous. We could not have asked for a better team to work with and I highly recommend WHCC as a venue!”
