WELCOME TO IRON & EMBER

Iron & Ember is a newly renovated, all-season, full-service venue. Located at the Brookshire Golf Club in Carmel, I&E sits on five acres of lush greens and overlooks a gorgeous tree line. The space blends modern, industrial character with stunning natural light and picturesque views.

I&E was created by MTS Collective, owners of Mustard Seed Gardens in Noblesville. Our team has more than ten years of experience creating unforgettable weddings and events.

Our mission is simple: create a one-of-a-kind backdrop, bring people together, celebrate love & have the best time doing it.
