The Bridal Suite and Grooms Barn at Atanaha are for the purpose of preparation, for the bride and her bridal party, the groom and his groomsmen to prepare themselves for the wedding. Keep in mind the Bridal Suite, and Grooms Barn is not open for use by the wedding or receptions guests. They are locked up at the start of the ceremony and will be unlock at the end of the event. If at any time you need to get into these areas a member of the staff can open it for you.

Due to Montana liquor license laws, we ask there be NO outside beer/or other alcohol brought into the Bridal Suite or Grooms Barn! (if brought in it WILL be confiscated) If you are hosting beer for the evening, we can arrange some be brought over from the bar. Or it is available for purchase at any time.
