## WHAT OUR COUPLES SAY...

*Five Stars does not feel adequate the it come to Clovelreaf Farm and thier outstanding team; I was blown away from the very first meeting to the end of our wedding night. We started planning before the pandemic began, but the Cloverleaf Team was there every step of the way; not just there, they were on top of everything (including my anxieties and fears). The Cloverleaf team worked tirelessly with us as we navigated our way through each decision and change that had to be made to keep everyone safe. They gave me the wedding of my dreams, despite the pandemic! It was better than anything I could have ever imagined. I am still soaring! All of our guests raved and everyone went home happy and HEALTHY!! I still get emotional about how wonderful every single person was to me and my family. I will forever be grateful. It was the best day of our lives.*

*I could not more highly recommend hosting a wedding or event at Cloverleaf Farm. From the start, at our initial tour of the venue, to the finish on wedding day, the team at Cloverleaf handled each detail with the utmost care.I consistently felt that I was included and involved in the planning and could also entrust the rest to the team at Cloverleaf. We were lucky to have beautiful weather, but felt confident the team would execute a rain plan flawlessly,. We chose to spend the entire wedding day at Cloverleaf getting ready with our bridal party, and it was the best decision! We felt that we were able to fully enjoy the home and property and were to fully enjoy the home and property and were able to have our friends experience everything we love about Cloverleaf Farm. Our day-of coordinators anticipated and handled everything throughout the day, so we were able to take in and enjoy each moment. Our guests consistently tell us how beautiful the wedding was and how impressed they were with the service throughout the event. We had so much fun and are so grateful that we chose Cloverleaf Farm!*
