Venue Options

(All venues are included in venue fee)

The Stonewall Barn (Capacity: up to 200 guests based on style of event)

A long and scenic stone driveway leads you past the fields and split-rail fence to the entrance of this magnificent structure. This rustic and massive barn is situated at the base of our mountain at the far end of the meadow. With a cocktail in hand, your guests will marvel at the stunning views of the idyllic Vermont countryside. Inside, dramatic lighting and an intricate post and beam design make this barn a romantic and elegant space. Outside, the upper meadow adjacent to the Stonewall Barn provides the perfect site for your tented cocktail-hour. We absolutely adore the way this barn and its grounds come to life with each event!

The Red Barn (Capacity: 130-200 guests, based on style of event)

The stunning Red Barn is an original 1800's white oak post and beam barn, right out of a Norman Rockwell painting. This historical building has been fully renovated and decorated with collections of country antiques. There is an adjoining natural light-filled parlor that provides a quiet area where guests can lounge and admire the gorgeous views. The parlor's glass French doors open to a charming bluestone patio and expansive meadows. Combined with an area for lawn games and a bonfire, this space provides an ideal location for a welcome reception.

The Stone Cellar (Capacity: up to 100 guests, based on style of event)

Through the Red Barn's breezeway and down the stairs you will enter the cavernous Stone Cellar, which is finished in river rock and earthen materials. The fireplace, candles and old-world fixtures, make this a cozy and romantic space perfect for your intimate rehearsal dinner or wedding ceremony.

The Meadow (Capacity: 500+)

Just outside the Red Barn, this lush forty-acre field can support intimate wedding ceremonies as well as large wedding receptions. The beautiful tree in the middle of the meadow has become a symbol of our weddings and a special place that couples often choose as a focal point for their ceremony. The panoramic 360-degree views of our mountains are truly breathtaking and create a dramatic backdrop for your outdoor wedding that your guests will remember forever.

Food & Beverage

Riverside Farm works exclusively with our local catering partner, Vermont Farms Catering, and they will take care of all your food and beverage needs for the weekend. We are incredibly selective with our caterers since food and beverage is such a critical part of the success of your wedding, as well as to our reputation as a premier wedding venue in Vermont.

Vermont Farms Catering offers delicious farm-to-table dining from local organic farms such as Sweet Georgia P's located just down the road. The catering team will help design seasonally inspired menus to suit every taste and budget. A few catering ideas to help personalize your wedding weekend might include a champagne check-in, signature cocktails, country-style barbecue, pig roast, clambake or lobster bake, s'mores campfire, wine or a local artisanal VT cheese tasting. Please refer to the Vermont Farms Catering website and sample menus for more catering ideas!

Parking

Riverside Farm provides limited additional parking near The White Barn in addition to the spaces reserved for on-site lodgings and event vendors. To add to the elegance of your wedding, your peace of mind and the safety of your guests, parking attendants and guest transportation is required. We have local vendors we work with who, along with Riverside's coordinator, will help organize your guests logistics to and from your weekend events.
