The Farmhouse Package

The perfect option for those wanting a more intimate wedding on a smaller budget

The Union Exchange happily facilitates micro weddings and has a unique opportunity with the abundance of space on the property. The Farmhouse Package begins the night before your wedding with check in to the Homestead & Pond Houses for sleeping accommodation at 3pm. Wake up on the farm and spend the day getting ready with your closest loved ones. From there, meet your partner at the aisle in our pinetree forest or whimsical meadow. After "I do" your group will journey up to our 1920's white farmhouse (called The McCain House) for your reception. Better yet, your guests will be shuttled to and from the ceremony spot to the reception via our tractor and wagon.

Maximum 55 Guests
