La Caille's magnificent estate vineyard was planted in 1986 with seyval blanc grapes. To-day, winemaker Mike Marron has sourced and grown the winery to include 9 different varietals, including limited specialty wines, and our Quail Run house red and white blends. La Caille prides itself on creating well crafted wines that are sure to satisfy any palate. Because we are a winery and vineyard, all events at La Caille that are serving alcohol are required to offer La Caille wine.
