Menus

Our **wedding** menus start at \$135 per person and include five handmade assorted appetizers of your choice, available as a stationary buffet or butler passed and a sit down dinner or buffet with three choices of entrée per guest. We can also arrange for an elegant heavy hors d'oeuvres reception.

Our site fees range between \$5,000-\$10,000 based on seasonality, and include overnight accommodations for ten.

Here is a selection of menus from past weddings:
