Event Spaces

The Barn

The Barn at Adaumont Farm was once a fully functioning horse barn and riding ring but has been transformed into a premier event destination that is unlike any other. In total, the barn is 25,000 square feet of country-chic décor built around a central reception & entertainment area. Flanked by casually elegant sitting areas and wrapped in Covered Porches you and your guests have an atmosphere where large events and intimate conversations can take place at the same time. The richly styled Barn includes a Reception Area, 2 Kitchens, Restrooms, a Mezzanine, Sitting Areas with comfortable chairs and sofas indoors, and an abundance of outdoor seating beneath the covered porches.

The Pergola

The Pergola (15 ft height) and Stone Patio provide the perfect backdrop for an outdoor wedding ceremony or special gathering. Everywhere you turn the views are incredible. Overlooking our 30-acre lake and sprawling pasture there isn't a better place to watch the sunset or gaze at the stars. The vast lawn provides ample space for ceremonies of all sizes.

Event Spaces

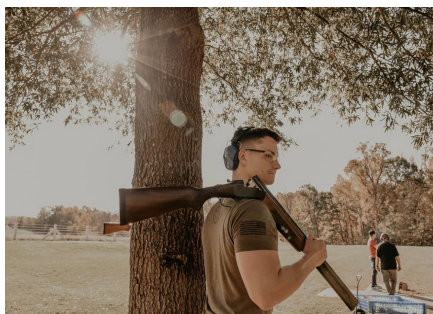

The Bridal Suite

Our beautiful Bridal Suite includes three separate rooms with floor-length mirrors in each, a tall hanging rack for dresses, a large private restroom with four sinks, a shower, and a bath, and lounge area areas with comfortable seating to relax with friends and family in each room. This is an ideal space for the entire bridal party to get ready in style!

The Hunting Lodge

Our Hunting Lodge is the perfect Groom's Lodge or location for a casual reception or dinner. The perfect spot for a southern-style barbecue or a low-key place for the groom and his party to enjoy. The Lodge has 1200 square feet of handsomely appointed indoor/outdoor space. The inside is comprised of a kitchenette, and a private restroom. Outside gives prominence to a covered pavilion with oversized picnic tables, a vast stone fireplace, a rocking chair porch complete with a swing, two grills, and access to the skeet shooting range and sporting clay course.
