WHAT TO EXPECT

THE SUNQUEST PLANNING PROCESS

SunQuest Cruises has redesigned the wedding planning process to be specifically tailored for destination couples. Our couples can enjoy 100% of the planning process from the comfort of their own home, with their favorite drink in hand, while our team carefully handles each detail.

STEP 1: THE INQUIRY

Our team has 20 years of experience in helping couples plan their destination wedding on the Emerald Coast. We're here to help you get started and support you as you start this little thing called "wedding planning." We're happy to answer any questions that you may have - let's get started!

STEP 2: LOGISTICS

If your ceremony is on the beach, we will assist you in obtaining any necessary permits. Our team is your go-to for Special Event Permits, FDEP Permits, SWFD permits, and more.

STEP 3: PLANNING & DESIGN

Your dedicated wedding planner will guide you through a planning process specifically designed for destination couples. They'll assist you in custom designing both ceremony and reception in addition to creating a detailed timeline and floorplan. With your SunQuest wedding planner by your side, planning your destination wedding is a stress-free experience!

STEP 4: FINAL TOUCHES

As your wedding planner finishes fine tuning your big day, they'll also bring in our Day of Coordination team to address any last minute details. It's all hands on deck to start preparing for the execution of the best day ever!

STEP 5: THE BIG DAY

Your wedding day is no ordinary day and you have no ordinary wedding team. Your Day of Coordination team will handle everything, from set-up to break-down to keeping your timeline on track. If your event spans across multiple locations, you'll have a coordinator at each location ensuring that every detail is attended to before guest arrival.

WHERE TO STAY

The *SOLARIS* Yacht is conveniently docked at the Baytowne Marina within the Sandestin Golf & Beach Resort. The resort offers endless amenities for your wedding weekend, including dining, shopping, spa services, golfing, private beach access, and nightlife.

A dedicated contact is available to assist with room blocks for weddings aboard *SOLARIS*. With several accommodation options to choose from, the Sandestin Golf & Beach Resort offers a premier lodging experience for you and your guests.

"THE BEST EXPERIENCE!"

"I could rave about the team at SunQuest all day. IMPECCABLE staff. Our entire experience from start to finish was so easy and stress-free. We planned with Courtney, who was responsive and gave detailed answers to all of our questions. Our day of coordinator, Josh, was so professional and fun to work with. The DJs were on point with every single song, we never wanted to leave the dance floor. The food was to die for, and I'm still hearing from guests how much they enjoyed their meals. This was the most fun night of our lives!"
