# WEDDING Package Info

**TROUT ON INN**

Weddings | Guided Fishing Trips | Lodging

The Trout On™ Inn is located on the North Platte River; just outside of Casper, WY. If a rustic yet elegant outdoor wedding is what you are looking for, look no further! This venue has what you need to make the day a memorable experience. With 35 acres of riverfront property; there is plenty of space, amazing scenery, and a picturesque landscape for wedding pictures for a memorable outdoor wedding.

What makes this location a premier destination wedding/reception venue is the one stop shop! Trout On™ Inn has several bundled packages to choose from that can be customized to meet the needs of each couple. Other offerings on site include catering and extra lodging. The most basic package (Bronze) includes a two night stay in the wedding house (capacity of 8-10), tables, chairs, linens, the barn (so no need to rent a tent), port a potties, the pergola for the ceremony, some large decor and ice (very important being 30 miles from Casper).

The additional lodging includes six cabins & four lodge rooms which can accommodate up to 40 more people. The great room in the lodge is a great alternative location for a reception or even the rehearsal dinner. (max cap 100)

The main reception area includes an outdoor lighted patio, and a large grassy area that allows couples increased space as well as a place for families and friends to mingle. The grassy area is also a great place for yard games and the outdoor patio is a great space for dancing.

The elevated pergola allows all guests to be able to see the ceremony without missing a beat. With the river as the backdrop, trees lining one side and the reception area on the other this location makes a beautiful, peaceful location for an outdoor wedding.

The max capacity in the barn is 250. We have parking on site that can accommodate these numbers as well!

Tours are provided year round. This venue does book about one and sometimes two years out. Schedule a tour, you won't be disappointed.
