

WE MAKE YOUR DREAM WEDDING COME TRUE

Congratulations on your engagement!

We are thrilled to learn that you are interested in the Tower Club as a venue for your wedding! We would love to share your special day with you and your family and friends. Our experienced professionals will assist you throughout the planning process and look forward to creating the most magical day for you and your guests.

The Tower Club is truly a unique venue. Our private club is located on the 17th floor offering spectacular views from the Blue Ridge to the Potomac. Each of our rooms has floor to ceiling windows and our Atrium boasts a 35-foot glass ceiling, which allows us to bring the beauty of the outdoors inside.

We know you have a choice of many venues in the Tysons Corner area, but none quite like this. Your wedding is the most important day and we know that our exceptional service, fantastic cuisine and beautiful views will lead to lasting memories. Let us help make your dream wedding come true!
