

THE HIGHLINE

Fashioned inside an old Rochester Cadillac showroom, The Highline Rochester has been re-modeled into a wedding and event venue that can accommodate parties of up to 200 seated guests with a full dance floor, or 250 seated guests without. This new, industrial-chic venue can host weddings, live performances, intimate gatherings, milestone celebrations, creative conferences, community events, photo/video shoots & more.

The Highline rental fee and pricing varies based on time of the year, day of the week, & time of the event. This fee will include reasonable set up & breakdown of your event, tables, china, specified linens & bar staffing.

If you decide our services are of further interest to you, we'd love to set up a time to discuss exactly what your vision is for your event.

We will be conducting "Hard Hat" tours prior to the renovation completion, after our flooring goes in, beginning the week of 11/02.

Please let us know if you would like to schedule a time for us to show you what we have finished so far and share our vision for this enchanting space. We are available for any questions you have, so please don't hesitate to ask. Thank you again for your consideration.

Sincerely Yours,

Jessica Klein & Alyssa Cohen
