

The Beaumont Hotel is elegant, timeless, classic & unique. Your guests will be stunned by the awe-inspiring beauty that surrounds the hotel. You and your guests will always remember your wedding and compare all others to it.

We offer weddings starting at just \$999, which is an amazing value for such a breathtaking venue.

We provide indoor & outdoor ceremony & reception locations and we have the only venue in the area that allows your event to simply move inside if the weather goes bad. There is no need to worry - your day will be perfect – regardless of the weather.

The hotel is timeless & elegant so there is no need to go to any effort or expense to decorate.

Our sound system lets you create your own playlist so you don't need to worry about the expense of hiring a band or deejay.

You choose your caterer & we provide the beverages. Our drink prices are not over-inflated like they are at most wedding venues.

If you need help with local vendors, we have a great list of trusted ones who can take care of everything.

We offer a multiple award-winning hotel, ceremony & reception venues and a spa. Everything is on site!
