## *Creating your Wedding Experience, Oceano Hotel Event Spaces...*

### WEDDING GARDEN

Behind a gated white fence and ornamental bushes is a stone walkway lined with decorative shepherd hooks. On the patio and lawn sits white wedding chairs overlooking scenic harbor views. The ceremony patio is landscaped with Italian Cypress and an arbor provides the perfect framework for floral arrangements.

### OCEANO GRAND BALLROOM & ATRIUM

The Oceano Grand Ballroom & Atrium are an impressive 4,400 square feet. Custom floor-length curtains divide the event spaces. For cocktail hour, guests are welcomed to drinks and hors d'oeuvres in the Atrium. During dinner, the Grand Ballroom sets the stage for a romantic wedding celebration. The soft chandelier and candle lighting create the perfect ambiance. And as the sun sets, the Atrium offers a dance floor and glass skylight for dancing under the stars.

### THE GATE HOUSE

Nestled in the garden is The Gate House. This rustic outdoor event space is reminiscent of a coastal barn with dark wooden beams, wrought-iron chandeliers, and hardwood floor. Glass French doors open onto a picturesque white patio and a stone fireplace is the perfect accent for a reception in the garden.

### MONTARA ROOM & MIRADA ROOM

These private event spaces are perfect for intimate gatherings. Each event space offers unique features which can be custom tailored for events such as rehearsal dinners and farewell breakfasts.
