# Rankin Gardens & Atrium

Discover one of Columbus' best-hidden secrets.

Nestled in the heart of uptown Columbus, between Broadway and First Avenue, the historic Rankin Building features a beautiful courtyard and atrium in an unparalleled setting for wedding ceremonies, receptions, rehearsal dinners and other wedding-related events.

## Romantic Beauty

Captivating lovers with its wrought iron balconies and historic French Quarter feel, the Rankin Gardens & Atrium allows guests to step back in time and experience the allure of historic Columbus. Weddings here truly capture the romance and elegance of an astonishing 150-year-old legacy.

Our elegant wedding ceremony and reception spaces can accommodate a range of settings and budgets—for example, a charming wedding ceremony held in the livery—and can host up to 300 guests.

## Exclusivity

Your wedding day is one of the most important memories you'll ever make. On this very special day, you are our sole priority.

On the day of your wedding, we make sure our venue is exclusively yours by hosting only one event per day. This allows you to create the perfect wedding timeline that best fits your plans and ensures that there will be ample rehearsal, set-up and perfection time.

## Professional Partners

Our team at the Rankin always strives to do what we can to lower the stress and demands that come with planning a wedding. As your wedding venue, we have explored all of your vendor options and created a list of the finest in the city.

Our suggested vendors have been selected based on their high level of professionalism and consistently exceptional service. From wedding planners, florists, photographers and more, our team is happy to work with you to choose the perfect partners to help make your wedding magnificent. You may view our list of suggested vendors on our website.

## Indoor and Outdoor Options

The Rankin Gardens, Atrium and Livery can accommodate both indoor and outdoor weddings. Couples interested in an outdoor wedding can also arrange a natural contingency plan in case of inclement weather or unforeseen circumstances—a tremendous stress reliever for most brides and grooms. Should the weather turn at the last minute, we can arrange for an indoor ceremony and reception; however, we require two hours' notice to make the necessary preparations.

## Your Wedding Team

Whether it's a jazzy bridesmaid brunch, a rousing rehearsal dinner or an elegant evening wedding and reception, you can be confident that our team has experience creating and executing all wedding and wedding-related events.

On the day of your wedding, the Rankin Gardens and Atrium staff will be on-site in order to assist your wedding coordinator with all of the last minute details.

## Exclusive Catering

The Rankin Gardens and Atrium makes organizing and planning for your catering as simple as possible with Classic Fare Catering as our exclusive vendor.

Catering is typically one of the largest wedding expenses, but it shouldn't be a cause of stress. This is why Classic Fare Catering loves to coordinate the food, beverages and linens for your reception. That way you can enjoy your day knowing that the details are on us.
