LONE STAR MANSION

- One of our favorite ceremony sites is beneath our beautiful Oak Tree which offers stunning views of rolling hills, our private lake and beautiful sunsets.
- The Poolside Courtyard offers another fabulous choice for your ceremony or reception. The Mansion provides a gorgeous backdrop for your ceremony and guests love dancing the night away around the pool.
- The extravagant Iron Gazebo is situated on an island, which is accessible by an ornate footbridge encompassed by our private lake. This is a postcard worthy setting that you have to see in person to believe!
- The Fountain Courtyard is the perfect spot for an outside ceremony, cocktail hour and even receptions. The front of the Mansion is a spectacular backdrop that will ensure your guests have time to fully enjoy the majesty of Lone Star Mansion.
- For more intimate events, consider the Parlor inside the Mansion. The beautiful crown molding, columns, crystal chandeliers and fireplace make it a truly one of a kind location for your ceremony or cocktail hour.
- Brides love our beautiful indoor Ballroom with elegant crystal chandeliers, wood flooring, and panoramic windows which makes this an ideal setting for an elegant indoor event. Whether you choose to have your ceremony (for up to 300 guests) or reception (for up to 125 guests) in the Ballroom, it's a truly stunning setting.
- The Carriage House can seat up to 300 guests for a reception. The French style windows on nearly three complete sides each unveil a different view of the grounds. The Mansion can be seen past the oak grove through the East windows, from the North our private lake and tree lined driveway can be viewed, and the sun setting on the countryside can be seen through the West windows. Three oversized Crystal Chandeliers are hung from the vaulted ceiling and surrounded by beautiful sheer white linens. You can open the North facing doors so your guests can enjoy the breath-taking views from the outdoor pergola-covered patio.
