OUR STORY

Housed in a reclaimed 1900's industrial notebook factory, SPAF blends timeless character with modern charm. The idea behind this venue is to incorporate the energy of the city into the venue itself, providing a memorable backdrop for weddings and events.

Hand-drawn graphic elements in the top left corner: two black hearts of different sizes and a large red heart with several short red lines radiating from its top left, resembling a sunburst or explosion.

FAMOUS FOR ITS ICONIC

LOVE

A black and white photograph of a classic car, possibly a Ford Mustang, parked at night. The car is dark-colored and features a prominent chrome wheel cover with a multi-spoke design. The background shows a brick building and some blurred lights, suggesting an urban setting. The overall mood is nostalgic and romantic.

“AND THEY LIVED
HAPPILY EVER
AFTER.”

THE END.
