ABOUT GILBERTSVILLE FARMHOUSE

*Hi there!
We are The Boustanis*

We are the family behind Gilbertsville Farmhouse. Every one of us has had a part in building this dream venue. We live here, so it is not only our business, it is our home. We have grown here individually and as a family, and we consider ourselves very blessed to be a part of something so incredible. The best part of what we do is the freedom to create and build. We are so passionate about continually adding to the venue and creating new spaces and experiences for you and your guests. It keeps the venue fresh and innovative and it also ensures that your wedding will be unique and awesome! We are also passionate about creating a business that not only provides local jobs to our employees, but instead a livelihood. Our business is seasonal, but our employees lives run year-round. The ability to offer that to our team is indescribable. That strengthens our employees individually and as a team. Our people are as invested as we are in this business, in you, in your event and in your weekend. Thank you for the opportunity to create so much magic.

AN INTRODUCTION

YOU DESERVE THIS!

Gilbertsville Farmhouse is our gift to you, and it is your gift to your friends and family. It is the most magical three days of your lives. It is a getaway. It is time. It is love. It is celebration. It is unique. It is home. It is family. You deserve this, and so do they.

Weddings are expensive. It is just the way it is. A Gilbertsville Farmhouse wedding is an event worthy of the expense, with a team behind you that is as invested in your wedding as you are. If your guests leave saying "that was the best wedding ever!" then we have succeeded.

Our goals are simple - to help you create the most epic weekend of your lives and to make sure that the process is easy and transparent. That's it.

The best part is that most of the work is already done. The glamping tents, the amenities, the barns, the lighting, the decor, the church pews. They are already here and it is already beautiful. All you have to do is add small details to make it your own and fill it with your love and with your people.

We are not a barn + Airbnb, we are not a hotel + ballroom, and we are not a large resort. We are a dedicated resort-style venue that was specifically built for this, FOR YOU, with the comforts of home, an impeccable attention to detail and a family that's got your back. There is no other place like Gilbertsville Farmhouse. We know. We've checked.

THE GILBERTSVILLE FARMHOUSE

DIFFERENCE

EXCLUSIVITY

Gilbertsville Farmhouse is your home for the weekend. There are no other guests on site ever. When you are swimming in the pond, or bottle-feeding baby goats it's only you and your people. Be free, be yourselves. Let loose, have fun. We take care of everything else. We got you!

ON-SITE LODGING & CATERING

It's like taking over an entire resort for the weekend. We have on-site lodging for you + 60 guests. Our glamping tents offer the romance of a camping adventure with the amenities of a luxurious getaway. Our suites offer the warm comfort of farmhouse living with the design and chicness of a boutique hotel. On-site catering and bar complete the package and make planning easy and stress-free.

LUXURY, WRAPPED IN NATURE

Outdoor elegance, rustic chic. Whatever you call it, it is a perfect blend of authentic and real, with richness and elegance. Our attention to detail is what makes all the difference. Your guests will breathe in nature and at the same time have their breathe taken away in our stunning spaces. You will be killing the wedding game!

UNIQUE EXPERIENCES

Besides our unique spaces, we have so many fun and unique experiences that make your weekend the BEST WEDDING EVER!

Goat Yoga, Chico - The Beer Burro, Outdoor Movies, a one-of-a-kind Hammock Park, Nightly Bonfires, our 1-Acre Pond with Island Gazebo. No other venue offers these experiences.

PASSION & CONSISTENCY

We've been at this for 8 years, and we still absolutely love what we do. Our goal is simple - to give you and your guests the weekend of your lives! Our reviews will prove it.

TRANSPARENCY & EASE

Our pricing is easy to understand and includes any and all fees. Nothing is complicated and nothing is hidden. Read "Our Process" to learn how simple our process is too.

THE PROCESS

HEY, I LIKE YOU

You've found us online or someone told you we are awesome (thank you!) and you're interested. The next step is to get to know each other. So, let's chat by email or phone. You will have questions, and so will we. What does your dream wedding look like? Feel like? What is most important to you? What is important to your parents? We need to make sure that GF can deliver that dream to you before we move forward. Makes sense, right?

LET'S MEET

Now that we feel like this could work, the next logical step is to meet. So, let's schedule your tour! We are available weekdays and weekends. If you live far away, or life takes priority right now, we can do this long distance too. Many of our weddings are booked site-unseen every year. Read our reviews, the older ones and the current ones. They will give you the confidence that what you see online is what you get. (Actually, people tell us all the time that we look even better in person than in our photos!)

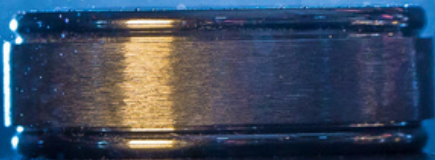

LET'S MAKE IT OFFICIAL

Yes!!! Let's do this. Our booking process is super easy. We send you a contract via email. You sign it, send it back to us with a booking deposit and that's it...we're official!
After your contract is received, we will schedule a phone call for you with our chef, Dan Giordano, to go over our catering offerings and to select your menu.

OUR FIRST YEAR

We will follow up with you at set times throughout the rest of your planning process to make sure you are on track and we have the information we need to make your weekend effortless. We are also always available by phone or email to answer questions or give advice if you need us. You are welcome to schedule follow-up visits as your planning progresses.

*At Gilbertsville Farmhouse, we want to always give real, all-inclusive prices. For our venue site fee, all of our basic amenities are included in our prices, and our only real "add-ons" are services that are above and beyond a normal weekend wedding - ex. Goat Yoga. With our new culinary venture, we are being up front and "REAL" in the total price section of this sample. Every caterer we have worked with prices this way, whether or not they are upfront about the total price or it is an (unfortunate) surprise on the final bill. We want you to be comfortable, know the numbers and to be able to compare "apples to apples" if you compare our prices with other catering offerings. Our prices are fair and our goal is to give you and your guests the best available, yet to remain affordable.
