Congratulations

Welcome to City Winery Chicago!

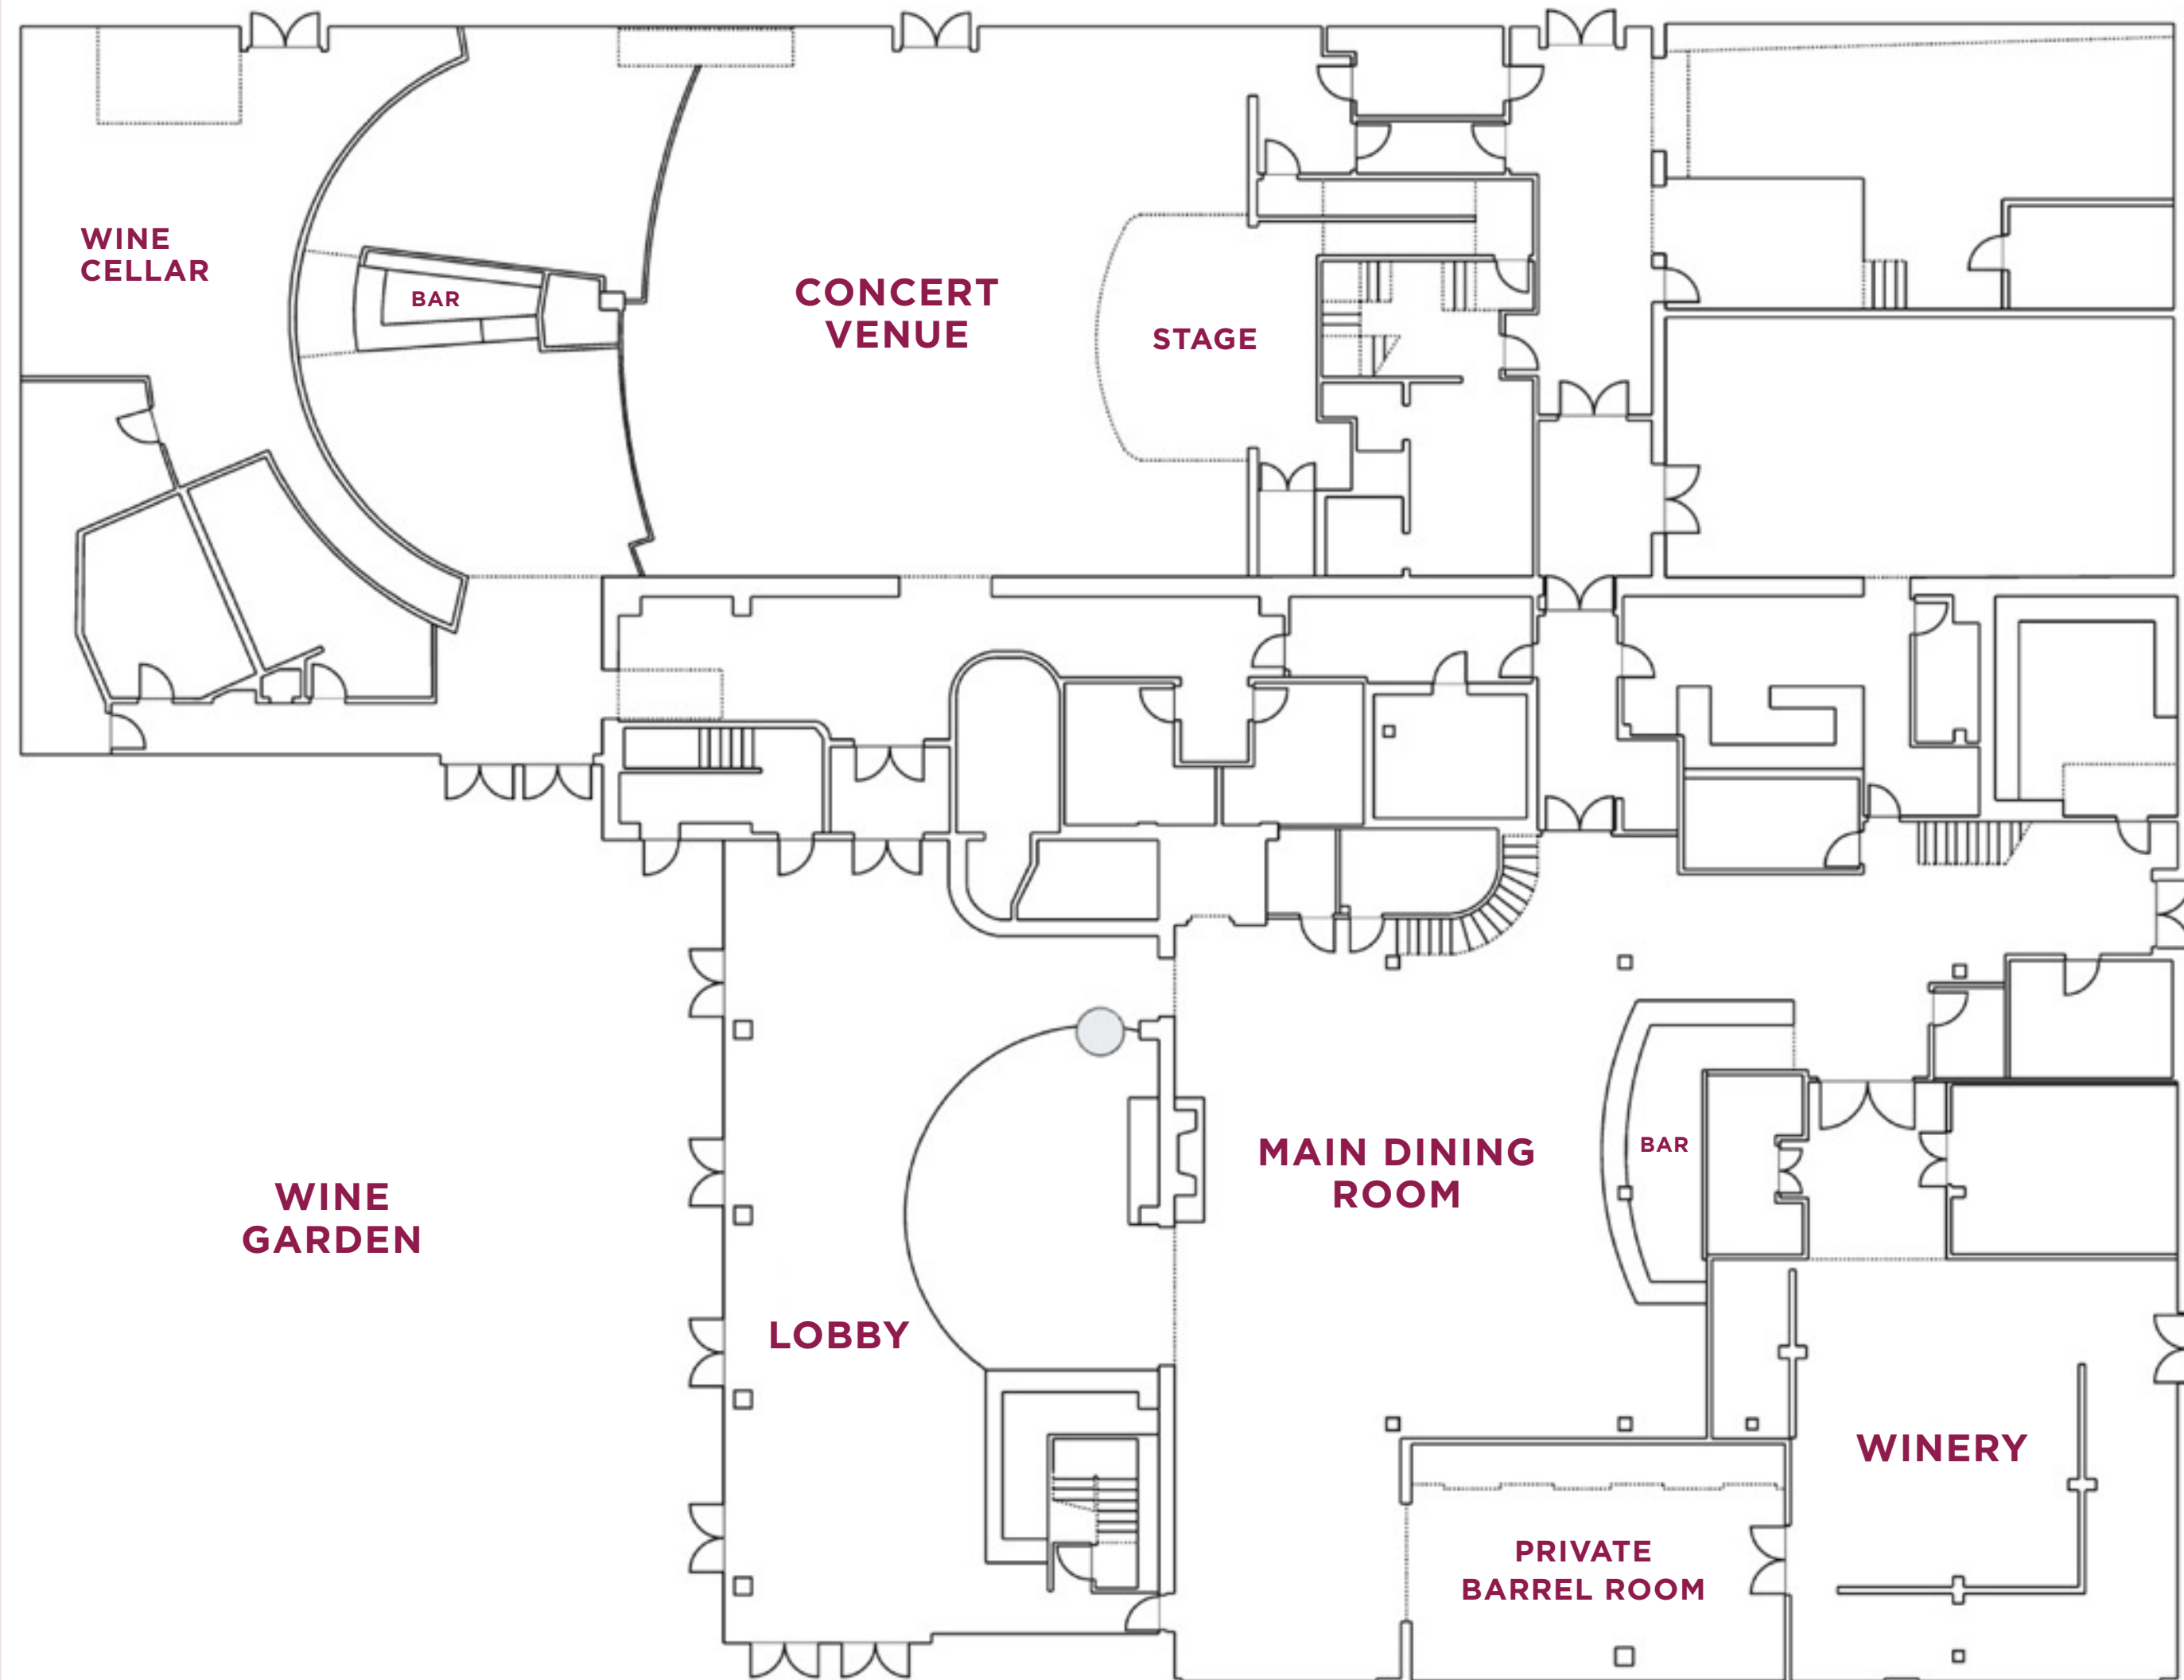

A 1923 industrial building turned fully functioning urban winery, restaurant, concert venue, and event space offers a truly unique venue for your big day. Our renovation aimed to honor the original building kept much of the original infrastructure and used repurposed materials whenever possible. Our 18,000 square feet of event space offers the charm and warmth of a historic building, while also providing the ease of a modern full-service wedding venue.
