

NUVO ROOM

A Modern Backdrop for Timeless Memories

What makes a good venue? Is it the layout of the building? Is it amazing customer service? Is it a great location? Is it professional staff? We have all of this and more!

Nuvo Room is an amazing event venue with a contemporary, urban chic feel. The venue boasts white washed, wood floors, white walls and a white acoustic ceiling. Nuvo Room is a wonderfully blank canvas which can be transformed to an ultra-modern lounge or a romantic ballroom. The options are endless! The event space has a capacity of 250 guests with plenty of room for a dance floor. The space can be sectioned off to accommodate smaller events. Let us help you create the event of your dreams!
